

Combine

Tradename : formerly Combine 110 by Hoechst.

Active Ingredients: Bromoxynil, Diclofop and MCPA.

This product is no longer marketed however a similar product can be made by mixing equal amounts of Buctril MA plus Hoegrass.

A rate of 1000 mL/ha is similar to 500 mL/ha of Butril MA plus 500 mL/ha of diclofop(375g/L).

See data on Bromoxynil 200, Diclofop and MCPA for general information.
