DIRECTIONS FOR USE:

CROP	DISEASE	STATE	RATE	CRITICAL COMMENTS
Turf and lawns, Bowling greens, Golf greens	Brown patch, Helminthosporium leaf spot, Fusarium patch	Vic, Qld, Tas, WA, NSW, ACT only	160mL in 20L water per 100 square metres (2.4L per full size bowling green of 38m x 38m)	Repeat every 7-14 days depending on weather conditions.
	Damping off	Vic, Qld, Tas, WA, ACT only	200mL in 60L water per 100 square metres.	Apply as a drench to the seedbed. Repeat every 5-7 days during disease susceptible periods.

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

GENERAL INSTRUCTIONS

Mixing

Turf should be in good nutritional condition before treatment otherwise some damage may occur to sensitive turf species (e.g. fescues, bluegrass, turf type ryegrasses), if repeat applications are made too soon.

Premix the required quantity with water and add to spray tank with agitation system operating. Agitate while spraying.

Do not mix with lime sulphur or Bordeaux sprays.

FUNGICIDE RESISTANCE WARNING

For fungicide resistance management Nuturf T.M.T.D 600 is a Group Y fungicide.

Some naturally occurring individual fungi resistant to the product and other Group Y fungicides may exist through normal genetic variability in any fungal population. The resistant individuals can eventually dominate the fungal population if these fungicides are used repeatedly. These resistant fungi will not be controlled by this product or other Group Y fungicides, thus resulting in a reduction in efficacy. Since the occurrence of resistant fungi is difficult to detect prior to use, Nuturf accepts no liability for any losses that may result from the failure of this product to control resistant fungi.

PROTECTION OF LIVESTOCK

Do not graze treated turf or feed grass clippings from treated area to poultry or livestock.

PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT

Dangerous to fish. DO NOT contaminate streams, rivers or waterways with chemical or used containers.

STORAGE AND DISPOSAL

Store in the closed, original container in a cool, well-ventilated area. Do not store for prolonged periods in direct sunlight. Triple or preferably pressure rinse containers before disposal. Add rinsings to spray tank. Do not dispose of undiluted chemicals on site. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush, or puncture and bury empty containers in a local authority landfill. If no landfill is available, bury the containers below 500mm in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots. Empty containers and product should not be burnt.

SAFETY DIRECTIONS

May irritate the eyes, nose, throat and skin. Repeated exposure may cause allergic disorders. Avoid contact with eyes and skin. Do not inhale spray mist. When opening the container and using the product wear cotton overalls buttoned to the neck and wrist and elbow length gloves and face shield or goggles. If product on skin, immediately wash area with soap and water. If product in eyes, wash it out immediately with water. Wash hands after use. After each day's use, wash gloves, face shield goggles and contaminated clothing.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre (phone 131126). Avoid giving alcohol.

MATERIAL SAFETY DATA SHEET

Refer to Material Safety Data Sheet for further information.

CONDITION OF SALE
